Tots To Teams is a local company that we have dealt with for many years and they have added us to their online shop. By using this facility, you can order and pay for items throughout the school year. The items can be delivered directly to school free of charge, or to your home for a small delivery fee. In order to benefit from delivery into school before the children break for the summer, orders should be placed online by Monday 14th June 2021. Please, also bear in mind that Covid-19 may affect stocks.

A link has also been added to the School Uniform page of our school website.

School bags, water bottles and caps continue to be available through the school office only.

Kind regards
